Chimera Investment Corporation (the "Company"), in conjunction with the review by its outside independent accounting firm, is completing an analysis of the application under generally accepted accounting principles (GAAP) of the appropriate Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) to other-than-temporary impairments (OTTI). Prior to September 30, 2011, the Company evaluated certain of its investments in securities for OTTI under ASC 320 *Investments-Debt and Equity Securities*. The Company has determined that its investments in securities rated less than AA, as well as non-rated non-Agency securities and other subordinate securities, should be evaluated for impairment under ASC 325- *Investments-Other – Beneficial Interest in Securitized Transactions*.
